Total Quotation						

II. SCOPE OF SUPPLY

GENERAL

- Suppliers and deliverables must **strictly adhere** to the approved IMS IT Technical Specifications of the Department of Public Works and Highways.
- Suppliers must have a **Branch** and an **Authorized Service Center** and **have Certified Technical Staff** located in **Surigao del Norte** for easy After-Sales Support, **free of charge** within the warranty period.
- Warranty requirement** stipulated in the IMS IT Technical Specifications must be **strictly observed**. Quotation with certain Supplier conditions other than the required Warranty requirement is prohibited and shall fall automatically as a ground for disqualification.
- Suppliers must have a Certificate of **Sole Distributorship** (if applicable) and a **Warranty Statement** or **After-Sales Service**.
- Warranty Certificate** must be prepared and presented completely with ⁽ⁱ⁾ Product Description, ⁽ⁱⁱ⁾ Quantity, ⁽ⁱⁱⁱ⁾ Overall Cost, ^(iv) Serial Number, ^(v) Invoice Number, ^(vi) Purchase Order Number with Date, ^(vii) Supplier Header, and ^(viii) terms of Warranty for every item during the delivery.
- Warranty** requirement for IT Equipment must **originally** come from the Manufacturer. **Identified Authorized Service Centers (ASC)** may carry out the extended warranties to

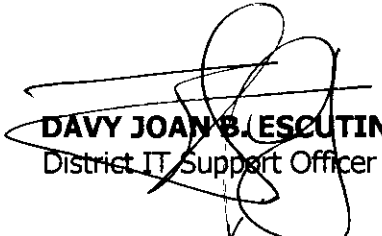

provide maximum After-Sales-Support. However, it is reminded that ASCs are not allowed to change or add any hardware component(s) unless instructed by the Manufacturer (Authorization Certificate is required) to maintain its hardware integrity and comply with the prevailing calibration tests.

7. If the quoted product(s) are irrepressibly **phased out**, the Supplier must notify the Procuring Entity through **Letter with attached specification** before the delivery or before the end of the delivery period. The Supplier must present a comparison between the phased-out item and the new item, either same or better and/or whichever is advantageous to the Government.
8. Warranty Support for all IT Equipment must be done strictly **ON-SITE**. If **pull-out** is **unavoidable**, the Supplier must **return the unit within two (2) weeks**, or a **Service Unit with the same or higher specifications** must be issued as a replacement unit. If warranty is not meet on specified term **(1 year)** this will be considered as a ground for forfeiture of warranty security.
9. Support shall have a **Next Business Day (NBD)** response time for Suppliers on the IT Equipment.
10. Procuring Entity, as the end-user, may contact the Suppliers via **Phone Call, Toll-Free, and/or Email** for maximum After-Sales Support during Business Hours.
11. It is reiterated that the Unit Model must be in the **current catalog** and not end-of-life. Since suppliers are **NOT allowed to change or add any hardware components to the IT Equipment**, they may choose the **Configure/Made to Order** option from selected Manufacturers to meet the IMS IT Technical Specifications.
12. Supplier must be transparent with their Terms of Reference (TOR) and must **NOT contradict** the TOR provided by the Procuring Entity.
13. Any form of **irregularity** or **nonconformity** before, during, or after the acquisition of items, the District IT Support Officer shall recommend **Blacklisting** of the defiant Suppliers.
14. A possible ocular inspection or Store visit will be conducted for the interested Suppliers.

DELIVERY OF EQUIPMENT

The delivery of the I.T. products shall be Sixty (60) calendar days upon the receipt of the Purchase Order (P.O.) issued by the Surigao del Norte 1st District Engineering Office.
