

GUIDELINES ON THE CONDUCT OF THE ELECTRONIC SUBMISSION AND RECEIPT OF BIDS BY THE PROCURING ENTITY – CARAGA REGIONAL HOSPITAL (CRH)

RATIONALE

The Government Procurement Policy Board (GPPB) approves measure for the efficient conduct of procurement activities during the state of calamity or the implementation of community quarantine or similar restrictions.

Given the COVID-19 Pandemic, Procurement activity has been expedient and one of this is the Conduct of Electronic Submission of Bids.

The CRH thru the Bids and Awards Committee (BAC) has submitted Certification, certified by the highest official managing the Information Technology, describing the electronic system or procedure to be used by the CRH for the electronic submission and receipts of bids and a statement that the same is compliant with the GPPB Resolution NO. 12-2020 requirements.

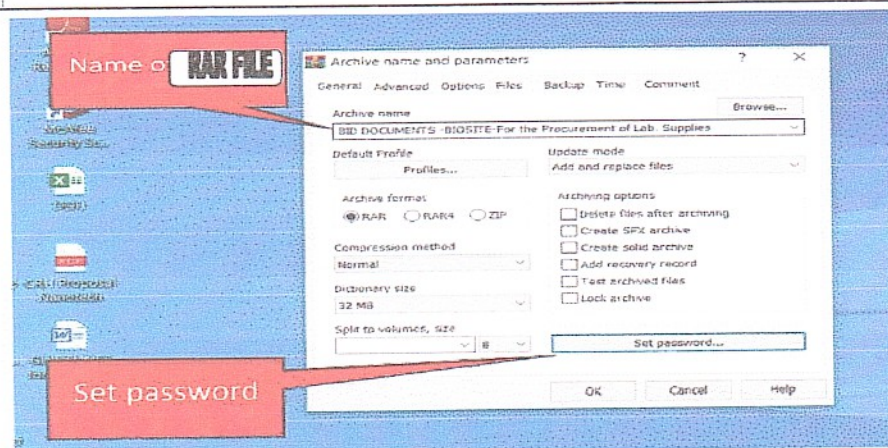

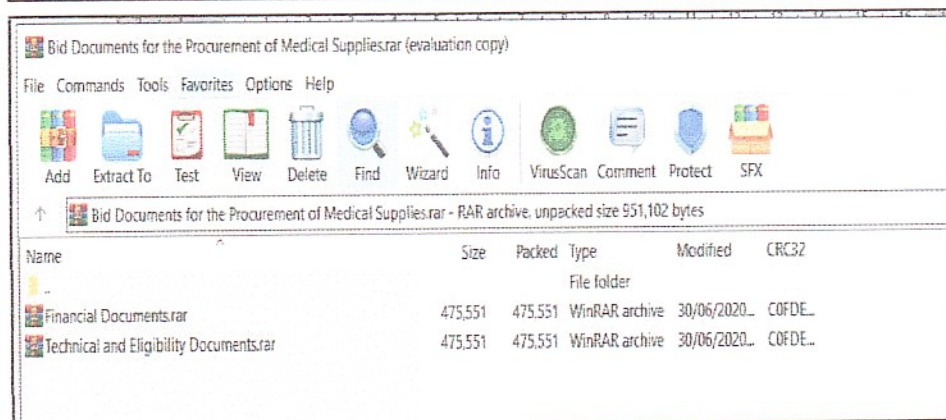

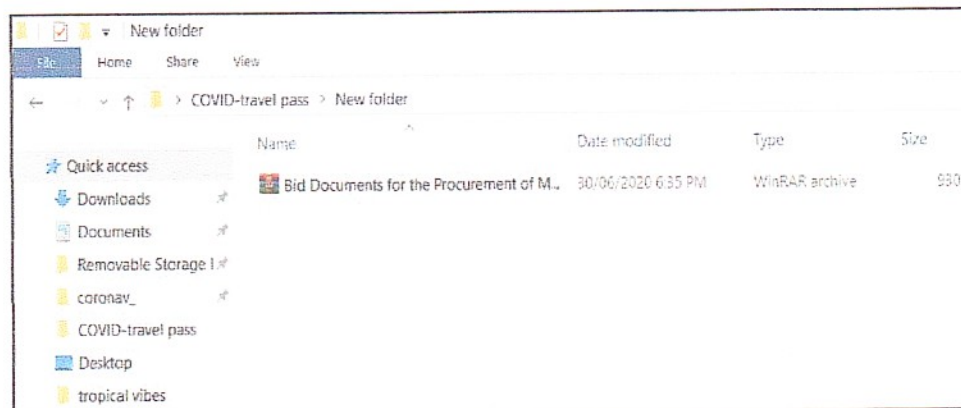

MECHANICS

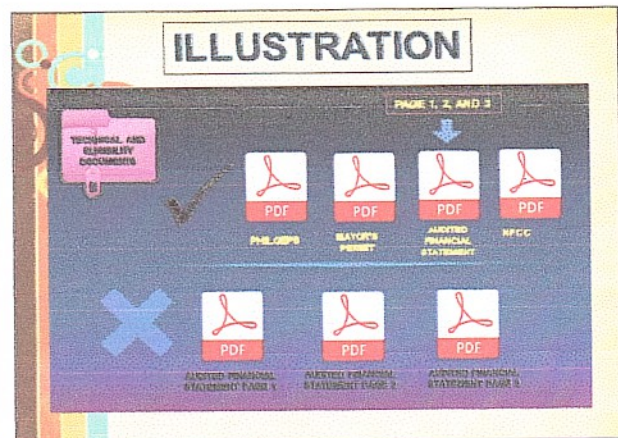

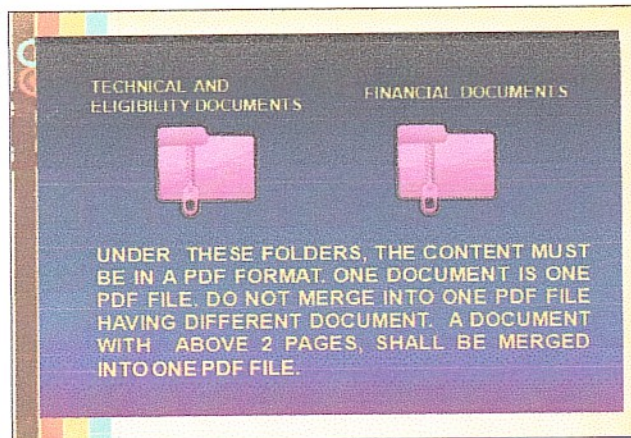

1. The Bidder is required to submit their bids using a two-factor security procedure consisting of an archive format compression and password protection and disclose the password for accessing their respective bid submission only during the actual bid opening.
2. Thus, an audit trail of transactions for the security, integrity, and authenticity of bid submission shall be ensured.
3. The submission of bids, including proof of payment of bidding documents, using the electronic procedure must be submitted on or before the scheduled Opening of Bids at exactly **10:00 A.M. (PST)** to this email address: crhbac2020@gmail.com.
4. Failure of the bidder to submit on time, bidding documents is no longer accepted.
5. The bids must be in this file:
 - a. All Document shall be submitted in PDF file format
 - b. 1 RAR file – Named “Technical and Eligibility Requirements” – Contains file documents required in the checklist for Technical and Eligibility Documents
 - c. 1 RAR file – Named “Financial Requirements” – Contains file documents required in the checklist for Financial Documents.

- d. 1 RAR file – Named “Bid Documents” (the mother envelope)
- e. Each RAR file shall be password protected (To be revealed by the bidder when called during the bidding proper).
- f. Do not merge all the documents into one file.
- g. Illustration:

1. PhilGEPs, 3 pages – this is one PDF file, named “PhilGEPs”
2. Audited Financial Statement, 5 pages – another one PDF file, named as “Audited Financial Document”
3. NFCC, 1 page – another PDF file, named as “NFCC”

6. Scanned copies with authorize representative's signature per page is required. For the purpose of verification, during the Evaluation and Post Qualification, the bidder shall be required to provide authenticated hard copy of all bidding documents to the BAC. BAC may however, requires authenticated electronic copy of other documents as need arises preferably in legible and clear copy.
7. Compressed files should be tested prior to sending to verify the integrity of the compression and to test whether the password provided is valid.
8. Compressed file should be able to be extracted by Winrar Version 5.5
9. Two copies of the files will be downloaded for redundancy purpose. Each file is downloaded on a separate computer at different time. During the opening of bids, each file is given five (5) attempts to be extracted and read. Should both files be unreadable or unable to be extracted shall cause, the automatic disqualification of bid.
10. There will be no resubmission of bids allowed for corrupted files during and after the opening of bids.
11. Should the attachment be too large for an email. It is recommended to upload the file to the Google Drive service and attach their link to the official email of bid submission.
12. Scanning resolution is suggested at 100-200 dots per inch (DPI) for balance of legibility and file size.
13. Documents with signature and brochures are required to be scanned in color to better assess and understood.
14. All Documents shall be arranged consistent to the order of checklist.
15. Tampered or using of photoshop application will cause outright disqualification. Disqualified documents will be returned to the bidder in open or un-opened RAR file.
